

# CROSSROADS BUOY

POSITIONED IN THE SHELTERED, DEEP WATERS OF THE CARRICK ROADS, THE CROSSROADS BUOY IS FALMOUTH HARBOUR'S CLASS 1 ADMIRALTY MOORING FOR VESSELS UP TO 180M AND 10.5M DRAFT.

**FALMOUTH  
HARBOUR**

UK's Atlantic gateway.

Benefitting from the strategic position of Falmouth at the approaches to the English Channel, and within easy reach of the commercial port and town, the mooring is ideally suited to all vessel types, including ships, barges, tugs and tows and superyachts.

The mooring can be utilised for a range of vessel calls, including shelter from weather, waiting for a berth or port services, short-term lay by, service calls, passage preparation, project mobilisation or in-water survey. Please see chart BA 32 for exact location.
