**FALMOUTH
HARBOUR**

UK's Atlantic gateway.

A resident commercial vessel is considered to use the Falmouth Harbour Area as its primary operating port or port of residence where it spends at least 60% of its time.

An annual subscription includes harbour dues for unlimited entries / exits and use of the harbour. It runs from 1st January until 31st December each year and is payable on a yearly basis. If the application is accepted Falmouth Harbour will invoice the owner / operator accordingly.

All commercial operators wishing to apply for a resident vessel subscription must do so by the 1st April or the minimum charges may apply.

Please complete one application per vessel.
