# Notice to Mariners No. 22 of 2023

## Tall Ships Parade of Sail & Race

**NOTICE IS HEREBY GIVEN** that the Tall Ships Races Magellan-Elcano Series will start from Falmouth on Friday 18<sup>th</sup> August 2023.

Participating vessels will be unberthing from Falmouth Docks & Port Pendennis Marina at various times throughout the day in the lead up to the Parade & Race. All vessels are requested to keep well clear of any vessels unberthing along with their assisting tugs, and to avoid impeding the passage of participating vessels proceeding to the start of the Parade of Sail.

The Parade of Sail will commence at 15:00 from St Anthony's Head to Nare Point, as shown in the chartlet overleaf. Tug MERCIA will be positioned opposite to Maenporth Beach as a parade turning mark. All vessels not taking part in the event must keep well clear of the Parade of the Sail and follow any instructions given by the attending marshal vessels, which will be displaying an official pennant (light blue in colour with Falmouth Spirit of the Sea Logo).

The Race is due to start at 17:00 with the start line approximately 2.5nm off Manacle Point. The line will be marked by a Royal Fleet Auxiliary Ship and the Tug MERCIA. The direction of the start line may be rotated depending upon wind conditions at the time. All non-participating vessels must keep well clear of the start area.

All vessels are reminded of the requirement to avoid impeding the passage of ships navigating within a narrow channel or fairway under the International Collision Regulations, and of the requirement to avoid obstructing or impeding the Parade & Race under Falmouth Harbour Byelaws.

Information Broadcasts will be made periodically on VHF Ch12 throughout the day.

Further guidance to spectators is published at [Parade-of-Sail \(falmouth.co.uk\)](https://www.falmouth.co.uk/Parade-of-Sail).
