

# Mooring Strop Fitting Booking Guide

From your Harbour Assist profile select booking requests on the left

Select the first option: Mooring Strop Fitting Date - Summer Season

Select the boat you want to the strop fitted for, or, if you can't see the correct boat add it using the link at the top.

Please select your boat or [add a new boat](#) to this request

Boat	Length (m)	Select
Killigrew	8 (m)	Select

Finally, submit your request at the top of the next page. Your mooring will be ready for you to arrive from that day

✓ Submit Request

Check that the details are correct and then click next near the top of the page.
