LARGE VESSEL MOORINGS

Falmouth Harbour offers, for short and medium-term hire, moorings for vessels up to 95m LOA, conveniently positioned within the shelter of the Inner Harbour and within easy reach of the Commercial Port and Town. See BA Chart 18.

The moorings are ideal for small to medium-sized commercial craft, superyachts, sail training ships and charter vessels from 12m to 95m in either swinging or ahead and astern arrangement.

The moorings are part of a substantial trot-line secured by heavy-duty anchors and chain. All moorings have polymer mooring buoys with further details available on request.

MOORINGS

1 Cutty Sark: 25m x 4.5m

Cutty Sark to Jubilee: 60m x 4.5m

2 Jubilee: 33m x 4.5m

3 Caldy: 35m x 4.5m

Caldy to Frigate: 95m x 5m (at special request)

4 Frigate: 45m x 4m and 40m x 5m

Note: Packet Mooring is not in position, but may be raised at special request, for example to support Harbour events.

Small craft moorings

Falmouth Haven Marina

Superyacht services available including: tender berthing, garbage and waste, deliveries and car parking.

'Large Vessel Booking Form' must be completed and returned to the Harbour Officer before mooring is permitted
