No. 21 of 2026

Swanpool Seagrass Planting

NOTICE IS HEREBY GIVEN that during week commencing 14th September 2026, seagrass planting will take place in the Swanpool area as part of an active seagrass restoration project. The operation is planned for Wednesday 16th September (weather permitting) and will involve the vessel 'Jenna Lea'. She will be at anchor during operations and will fly an anchor ball day-shape during the works period.

All water users, including vessels, kayaks, swimmers and boarders are requested to keep a wide berth of the of the vessel 'Jenna Lea' whilst operations are taking place.

The planting will take place in the orange area shown in the chart below.
